

Glory And Gore
Lorde

C **Am**
There s a humming in the restless summer air
Em **G**
And we re slipping off the course that we prepared
C **Am**
But in all chaos, there is calculation
Em **G**
Dropping glasses just to hear them break
C **Am**
You ve been drinking like the world was gonna end (it didn t)
Em **G**
Took a shiner from the fist of your best friend (go figure)
C **Am**
It s clear that someone s gotta go
Em **G**
We mean it but I promise we re not mean

Pre-Chorus

C **Am** **Em** **G**
And the cry goes out (Ah-Ah)
C **Am** **Em** **G**
They lose their minds for us (Ah-Ah)
C **Am** **Em** **G**
And how it plays out (Ah-Ah)
C
Now we re in the ring

And we re coming for blood

tabrefrão

C
(Oh- Oh)
Am
You could try and take us (Oh-Oh)
C
But we re the gladiators (Oh-Oh)
Am
Everyone a rager (Oh-Oh)
But secretly they re saviors
C **Am**
Glory and gore go hand in hand
C
That s why we re making headlines (Oh-Oh)
Am
You could try and take us (Oh-Oh)

But victory s contagious
refrão

verse 2: Same as verse 1

Delicate in every way but one (the swordplay)

God knows we like archaic kinds of fun (the old way)

Chance is the only game I play with, baby

We let our battles choose us

Pre-Chorus

Chorus

Bridge: A capella

No-one round here s good at keeping their eyes closed
The sun s starting to light up when we re walking home
Tired little laughs, gold-lie promises, we ll always win at this
I don t ever think about death
It s alright if you do, it s fine
We gladiate but I guess we re really fighting ourselves
Roughing up our minds so we re ready when the kill time comes
Wide awake in bed, words in my brain,
Secretly you love this do you even wanna go free?
Let me in the ring, I ll show you what that big word means
