I whisper things, the city sings em back to you
All those rumors, they have big teeth
Hope they bite you

                                              Е
Thought you said that you would always be in love
But you re not in love no more
Did it frighten you
How we kissed when we danced on the light up floor?
On the light up floor
G
But I hear sounds in my mind
          D
Brand new sounds in my mind
                                                      Α
But honey I ll be seein you ever I go
But honey I ll be seein you down every road
I m waiting for it, that green light, I want it
 Cause honey I ll come get my things, but I can t let go
I m waiting for it, that green light, I want it
Oh, I wish I could get my things and just let go
I m waiting for it, that green light, I want it
G
       I m waiting for it, that green light, I want it
G
       I m waiting for it, that green light, I want it
G
       I m waiting for it, that green light, I want it
G
       I m waiting for it, that green light, I want it
G
       I m waiting for it, that green light, I want it
G
       I m waiting for it, that green light, I want it
