

Homemade Dynamite  
Lorde

**Am** **Em** **G**  
A couple rebel top gun pilots flying with nowhere to be, oh

**Am**  
Don't know you super well but I think that you  
**Em** **G**  
Might be the same as me, behave abnormally

**Am**  
Let's let things come out of the woodwork  
**Em**  
I'll be on my best side, tell you all my best lies  
**G**  
Yeah, awesome right?

**Am**  
So let's let things come out of the woodwork  
**Em**  
I'll be on my best side, tell you all my best lies  
**G**  
Seeing me rolling showing someone else love, dancing with my shoes off  
Know I think you're awesome right?

**Em** **Em**  
Our rules, our dreams, we're blind  
**G** **G** **G** **G** **Am**  
Blowing shit up with homemade d-d-d-dynamite  
**Am** **Em** **Em**  
Our friends, our drinks, we get inspired  
**G** **G** **G** **G** **Am** **Am** **Em** **Em**

**Am** **Em** **G**  
Might get your friend to drive but he can hardly see, ooh-ooh  
**Am**  
We'll end up painted on the road, red and chrome  
**Em** **G**  
All the broken glass sparkling, I guess we're partying

**Am**  
So let's let things come out of the woodwork  
**Em**  
I'll be on my best side, tell you all my best lies  
**G**  
Seeing me rolling showing someone else love, hands under your t-shirt

Know I think you re awesome right?
