

Still Sane
Lorde

[Verse 1]

C* (single strum) G* Am*
Today is my birthday and I m riding high
C* G* Am*
Hair is dripping, hiding that I m terrified
C* G* Am*
But this is summer, playing dumber than in fall
C* G* F*
Everything I say falls right back into everything

[Bridge 1]

C G
I m not in the swing of things

But what I really mean is
Am G*
Not in the swing of things yet

[Verse 2]

C
Riding around on the bikes, we re still sane
G
I won t be her, tripping over onstage
Am F
Hey, it s all cool
C
I still like hotels but I think that ll change
G
Still like hotels and my new-found fame
Am F
Hey, promise I can stay good

G
(Everything feels right)
F
I m little but I m coming for the crown

I m little but I m coming for you

G
(Chase paper, get it)

F
I m little but I m coming for the title
G
Held by everyone who s up

[Chorus]

C*

All work and no play
G*
Never made me lose it
Am*
All business, all day
F* (G*)
Keeps me up a level
C*
All work and no play
G* Am* F* G*
Keeps me on the new shit, yeah

C
All work and no play
G
Let me count the bruises
Am
All business, all day
F (G)
Keeps me up a level
C
All work and no play
G **Am** **G**
Lonely on that new shit, yeah, yeah

[Bridge 2]
C **G**
Only bad people live to see
Am **F** (G)
Their likeness set in stone
C **G**
Only bad people live to see
Am G*
Their likeness set in stone

What does that make me?

[Bridge 1]
C **G**
I m not in the swing of things

But what I really mean is
Am **F**
Not in the swing of things yet
C **G**
I m not in the swing of things

But what I really mean is
Am F* (G*)
Not in the swing of things yet

[Chorus]
C*
All work and no play

G*

Never made me lose it

Am*

All business, all day

F* (G*)

Keeps me up a level

C*

All work and no play

G* Am* G*

Keeps me on the new shit, yeah
