

Supercut

Lorde

C **F**
In my head, I play a supercut of us
Am **F**
All the magic we gave off, all the love we had and lost
C **F**
And in my head, the visions never stop
Am **F**
These ribbons wrap me up, but when I reach for you, there s just a supercut

Am
In your car, the radio up
Am
In your car, the radio up
F
We keep trying to talk about us
F
I m someone you maybe might love
Am
I ll be your quiet afternoon crush
G
Be your violent overnight rush
F
Make you crazy over my touch

C **F**
But it s just a supercut of us, supercut of us
Am **F**
Oh it s just a supercut of us, supercut of us

C **F**
So I fall, into continents and cars
Am **F**
All the stages and the stars, I turn all of it to just a supercut

C
Cause in my head (in my head, I do everything right)
F
When you call (when you call, I ll forgive and not fight)
Am
Because ours are the moments, I play in the dark
F
We were wild and fluorescent, come home to my heart

Am
In your car, the radio up
Am
In your car, the radio up

F
We keep trying to talk about us
F
Slow motion, I m watching our love

Am
I ll be your quiet afternoon crush

G
Be your violent overnight rush

F
Make you crazy over my touch

But it s just a supercut of us, supercut of us

Am **F**
