[Intro]

[F#m* (single strum to set key)]

Wait til you re announced

We ve not yet lost all our graces

The hounds will stay in chains

Look upon your greatness and she ll send the call out

Send the call out

Send the call out

Send the call out

[Verse 1]

F# D#m

Call all the ladies out, they re in their finery

A hundred jewels on throats

C# F#

A hundred jewels between teeth

D#m

Now bring my boys in, their skin in craters like the moon

C#

The moon we love like a brother while he glows through the room

F#

Dancing around the lies we tell

D#m

Dancing around big eyes as well, oh

C#*

B

Even the comatose, they don t dance and tell

[Chorus]

F#

C#

We live in cities you ll never see on-screen

D#m

B

Not very pretty but we sure know how to run things

F#

C#

Living in ruins of a palace within my dreams

D#m

B

And you know we re on each other s team

[Post-Chorus]

I m kind of over getting told to throw my hands up in the air

So there

[Verse 2]

So all the cups got broke

Shards beneath our feet

But it wasn t my fault

And everyone s competing for a love they won t receive

Cause what this palace wants is release

[Chorus]

We live in cities you ll never see on-screen

Not very pretty but we sure know how to run things

Living in ruins of a palace within my dreams

And you know we re on each other s team

[Bridge]

I m kind of over getting told to throw my hands up in the air

So there

I m kind of older than I was when I reveled without a care

So there

[Chorus]

We live in cities you ll never see on-screen

Not very pretty but we sure know how to run things

Living in ruins of a palace within my dreams

And you know we re on each other s team

[Outro]

C#

We re on each other s team

D#m

B

F#

And you know we re on each other s team

C#

We re on each other s team

And you know

And you know

And you know
