

The Louvre
Lorde

C **Em**
Well summer slipped us underneath her tongue
F **Am**
Our days and nights are perfumed with obsession
G
Half of my wardrobe is on your bedroom floor
Use our eyes, throw our hands overboard

C **Em**
I am your sweetheart, psychopathic crush
F **Am**
Drink up your movements, still I can't get enough
G
I overthink your p-punctuation use
Not my fault, just a thing that my mind do

F **G** **Am**
A ru-u-u-ush at the beginning
F **G** **Am**
I get caught u-u-u-up, just for a minute
F **G** **Am**
But lover, you're the one to blame, all that you're doing, can you hear the violence?
F **G** **Am**
Megapho-o-o-one to my chest
N.C.
Broadcast the boom, boom, boom, boom and make 'em all dance to it

F **G** **Am** **G**
Broadcast the boom, boom, boom, boom and make 'em all dance to it
F **G** **Am** **G**
Broadcast the boom, boom, boom, boom and make 'em all dance to it
F **G** **Am** **G**
Broadcast the boom, boom, boom, boom and make 'em all dance to it
F **G** **Am** **G**
Broadcast the boom, boom, boom, boom and make 'em all dance to it

C **Em**
Our thing progresses, I call and you come through
F **Am**
Blow all my friendships, to sit in hell with you
G
But we're the greatest, they'll hang us in the Louvre
Down the back, but who cares, still the Louvre

C Okay I know that you are not my type (still I fall) **Em**

I m just the sucker who let you fill her mind (but what about love?) **F** **Am**

G
Nothing wrong with it, supernatural

F **G**
Just move in close to me, closer, you ll feel it coasting

F **G** **Am**
A ru-u-u-ush at the beginning

F **G** **Am**
I get caught u-u-u-up, just for a minute

F **G** **Am**
But lover, you re the one to blame, all that you re doing, can you hear the violence?
