

White Teeth Teens

Lorde

A* (single strum) A*
We wouldn't be seen dead here in the day
F#m* C#m*
I guess you're lucky that it's dark now
A* A*
And if I like it then we'll stay
F#m*
Impress the empress, take a shot now

A F#m C#m D
We got the glow in our mouths
A F#m C#m
White teeth teens are out (out)
D* A
White teeth teens are up for it

F#m C#m D
I know you love it when the hairpins start to drop
A
I like your reckoning, but we got our methods
F#m C#m D
And there's nothing here to stop, to stop this

A F#m C#m

D* A
If you want, we'll help tonight to split its seams
F#m C#m
Give the bruises out like gifts aaahhh
D A
You'll get the picture of your dreams
F#m
I won't be smiling but the notes from my admirers
C#m D
Fill the dashboard just the same ah ah ah

A F#m C#m
We got the glow in our mouths
D A F#m C#m
White teeth teens are out (out)

F#m C#m
I tried to join but never did

D A
The way they are, the way they seem

F#m C#m
Is something else, it s in the blood

D A
Their molars blinking like the lights

F#m C#m
In the underpass where we all sit

D
And do nothing and love it

A F#m
(Everything works out so good

C#m D
I wear the robe like no one could
