I hid them under the floor; for they being here made me sore
G
And on that day I felt kinda hazy
Am **F** **Am**
Now they still gotta be there, Â´cos they re not going anywhere
G
With severed limbs - or call me crazy?
F **G**
But there are voices in the darkness
F **G**
In my house every time I close my eyes

Am **F** **C** **G**
In the dead of night I hear em sigh the children of the night are calling
Am **F** **C** **G** **Am** **G** **F**
Hear Â´em cry they still defy endlessly I feel like falling now they re all
E **Am** **F-C-G**
My children of the night

Am **F** **Am**
These skulls are so small; here are seven of them in all
