Heal

Loreen

Tabbed this after watching Loreen s guitarist play it, so I m pretty sure these are the

correct chords! Just play along and enjoy :)

Any questions, just let me know!

Loreen - Heal

Tuning:Standard EADGBE

The strumming parttern depends on how you want to play it, but I ${\tt m}$ going to write what

the guitar player plays in case anyone wants to play it that way too.

Intro: Am, G, Em, C *One strum. Electric guitar: delay+reverb* Verse: *One strum. On electric guitar: delay+reverb* Am Em I m gonna stay cause you re really tired more than you ve shown Am Deep in your eyes there s no desire burning anymore Cause the will to fight gets you slowly dying F:m In the hard night G How can you survive when the dimest light Em Never touched your eyes Prechorus: *Playing each string once* \mathbf{Em} Am G This time we will Turn around and say the words that make us heal Am And then we will We will know and never more go back to this Chorus: *Down strumming. Palmuted* Am You gotta give something something for love You gotta give something something You gotta give something something for love You gotta give something something

I won t deny your lack of compassion Pain is all you know Even a life turn up in fire Shouldn t burn alone

Cause the will to fight gets you slowly dying In the hard night
How can you survive when the dimest light

This time we will
Turn around and say the words that make us heal
And then we will
We will know and never more go back to this

You gotta give something something something to love You gotta give something something You gotta give something something something to love You gotta give something something

Bridge:

One strum

Am (

Flying high above an imagined ocean

Em C

Nothing holding you so fly away

Am G

And then I hold to you only feel devotion

Εm

Just let go and let us (heal)

This time we ll win
Turn around and say the words that make us heal
And then we will
We will know and never more go back to this

You gotta give something something something to love You gotta give something something You gotta give something something something to love You gotta give something something
