

My Story

Loren Gray

[Verse 1]

G **D**
Maybe I got this love thing so backwards

Am **C**
And something keeps tripping me up

G **D**
Cause I always fall for the bad ones

Am **C**
Until I just can't get enough

G **D**
See, I'm looking for some adventure

Am **C**
But most of them ain't got the stuff
As long as he's driving a fast car
I know he can get me that rush

[Pre-Chorus]

G **D**
My mama told me that he was wrong
Am **C**
But when he holds me, I feel I belong

G **D**
Without my weakness I can be strong

Am **C**
My mama told me that he was wrong

[Chorus]

G **D**
I never listened to what they told me
Am **C**
I'll only do it again, yeah, do it again

G **D**
Gotta mess up to write my story
Am **C**
So I'll do it again, yeah, do it again

G **D**
Cause they told me once and they told me twice

Am **C**
Stop falling in love with your friends

G **D**
I never listened to what they told me

Am **C**
I'll only do it again, yeah, do it again

[Verse 2]

G **D**
My friends keep on saying I'm crazy

Am **C**
But I m just hopeless in love
G **D**
I can t help myself, he s my baby
Am **C**
But still I just can t get enough

[Pre-Chorus]

G **D**
My mama told me that he was wrong
Am **C**
But when he holds me, I feel I belong
