

American Revolver
Lori McKenna

[Intro]

C G D C G D

[Verse]

C G D

She's crying again

C G D

You lay quiet on her chest

C G D

She knows you're a dangerous comfort

C G D

But you haven't broken her heart yet

[Verse]

C G D

She wants to feel safe again

C G D

She thinks that you understand

C G D

Maybe it's crazy, maybe it's brave

Em

Either way, it's a losing game

[Pre-Chorus]

D

C Em

She's hoping she'll know what to do

D

C

With a 6 shot 22

[Chorus]

G

C

When the only one who's innocent is cold blue steel

G

C

For the first time someone's listening to how she feels

Em

D

Lord knows you can't save her

C

You can't stop or change her plans

N.C.

C G D

C G D

Just an American revolver

[Verse]

C G D

You're a proof she means what she says

C G D

It's a fairer fight with you around

C G D

To rescue her if things get so bad
There's no other possible way out

[Pre-Chorus]

She keeps going back and forth
Between herself and the door

[Chorus]

When the only one who's innocent is cold blue steel
For the first time someone's listening to how she feels
Lord knows you can't save her
You can't stop or change her plans
Just an American revolver

[Bridge]

Too late now for I'm sorry (American revolver)
He's coming up the front steps (American revolver)
He's been drinking again

[Pre-Chorus]

She keeps going back and forth
Between herself and the door

[Chorus]

When the only one who's innocent is cold blue steel
But this time someone's gonna listen to how she feels
Lord knows you can't save her
You can't stop or change her plans
Just an American revolver
American revolver(American revolver)
