

Shouting

Lori McKenna

[Intro]

G

[Verse]

G

You should be able to sleep at night

G

The You that I know, used to have light in those eyes

G

When you breathe in, it shouldnâ€™t hurt

Am

You should be living the life you deserve

[Chorus]

Em D

I know the world just repeats itself

C Em D C

And I know youâ€™ll never feel any better just by shouting

Em D C

Youâ€™ll never change the weather shaking your fist at the sky

Em D C

Youâ€™ll never find an answer picking another fight

G D C G

Youâ€™ll never feel better just by shouting

[Verse]

G

Saying I love you shouldnâ€™t rip you apart

G

And hearing I love you should fill up your heart

G
Cause it ainâ€™t back home, no baby, it ainâ€™t that dark

Am

Cause you donâ€™t have to stay with what you think you are

[Chorus]

Em D C

I know that hurt wonâ€™t just heal itself

Em D C

Youâ€™ll never feel any better just by shouting

Em D C

Youâ€™ll never change the weather shaking your fist at the sky

Em D C

Youâ€™ll never find an answer picking another fight, no

G D C

Youâ€™ll never feel better

G D C#dim7

Youâ€™ll never feel better

[Bridge]

C

Scream till you lose your voice

C

Shout it out, make a little noise

G

D

But just whisper and just whisper

C

G

I swear I can hear you

I swear I can hear you

C

I can hear you

[Chorus]

Em
