But emotions won't grow
D E
And we're changing our ways
Bm A
Taking diferents roads
D Bm A
Love, love will tear us appart, again
D Bm A
Love, love will tear us appart, again.

Why is this bedroom so cold?
Turned away on your side
Is my timing that flawed
Our respect runs so dry
Yet there's still this appeal
That we've kept through our lives
Love, love will tear us appart, again
Love, love will tear us appart, again

Do you cry in your sleep
All my feelings exposed
There's a taste in my mouth
As desperation takes hold
Yet, that something's so good
Just can't function no more
Love, love will tear us appart, again
Love, love will tear us appart, again
Love, love will tear us appart, again
Love, love will tear us appart, again.
