

**In love with you**  
**Los Amigos Invisibles**

\*\*\*\*\*

Esta canción es relativamente simple, es una progresión II-V-I-VI.  
Así que puedes moverla fácilmente :)  
A mi me gusta mas como suena con acordes de 7ma y 9na  
pero para acústica suena bien así.

Dm G  
I didn't want to get into this  
C Am  
I was just hoping to have a good time  
Dm G C Am  
What can I do I'm in love with you, tonight  
Dm G  
With just one touch and played all my keys  
C Am  
You shoot me off like a roller coaster  
Dm G C Am  
What can I do I'm in love with you Tonight  
  
Dm G C  
Now you're the only one I need  
Am  
To be by my side  
Dm G  
I know you're the one for me  
C Am  
Tonight , tonight  
  
Dm G  
Now every minute I need your kiss  
C Am  
You got me feeling like a little child  
Dm G C Am  
What can I do I'm in love with you, tonight  
Dm G  
Maybe tomorrow will never be  
C Am  
Maybe this moment can last a lifetime,  
Dm G  
Whatever happens it's all fine by me  
C Am  
Cause I'm in love with you can't you see  
Dm G C Am  
I really figure youre the one for me, tonight.

Dm                            G                    C  
Now you're the only one I need  
                                 Am  
To be by my side  
                                 Dm                    G  
I know you're the one for me  
                                 C                    Am  
Tonight , tonight

Dm                            G                    C  
Now you're the only one I need  
                                 Am  
To be by my side  
                                 Dm                    G  
I know you're the one for me  
                                 C                    Am  
Tonight , tonight

Dm                            G                    C  
Now you're the only one I need  
                                 Am  
To be by my side  
                                 Dm                    G  
I know you're the one for me  
                                 C                    Am  
Tonight , tonight
