Oh when I say I am looking for nothing
F C
I m looking for nothing
Am G
And nothing I ll find
C G F C
You cannot forget if you cannot forgive
F C Am G C G F C F C Am G
You cannot forgive if you cannot untie

Oh and these walls they bring out the worst in me
F C
They bring out the worst
Am G
In all that is mine
C G F C
In all that lacks courage all is that is human
F C Am G C G F C F C Am G
All that is human and less than divine
C G F C
With hands that have made me and eyes that have seen me
F C Am G
In my only glory in my deepest sin
C G F C
And fingers that touch not the skin which contains me
F C Am G
But only the heart of all I have been
C G F C
But witches of flesh and witches of spirit
F C Am G
Witches of fire, water and rust
C G F C
Keep all that is hidden and all that lies waiting
F C Am G C G F C F C Am G
Just over the shoulder just under the dust

C G F C
And the last time I noticed your hands were not bleeding
F C Am G

Your hands were not bleeding, you were not alive

C G F C

Though my eyes deceive me my heart was an arrow

F C Am G C G F C F C Am G

My heart was an arrow shot straight through the lights
