Oh when I say I am looking for nothing
F# C#
I m looking for nothing
Bbm G#
And nothing I ll find
C# G# F# C#
You cannot forget if you cannot forgive
F# C# Bbm G# C# G# F# C# F# C# Bbm G#
You cannot forgive if you cannot untie

C# G# F# C#
Oh and these walls they bring out the worst in me
F# C#
They bring out the worst
Bbm G#
In all that is mine
C# G# F# C#
In all that lacks courage all is that is human
F# C# Bbm G# C# G# F# C# F# C# Bbm G#
All that is human and less than divine
C# G# F# C#
With hands that have made me and eyes that have seen me
F# C# Bbm G#
In my only glory in my deepest sin
C# G# F# C#
And fingers that touch not the skin which contains me
F# C# Bbm G#
But only the heart of all I have been
C# G# F# C#
But witches of flesh and witches of spirit
F# C# Bbm G#
Witches of fire, water and rust
C# G# F# C#
Keep all that is hidden and all that lies waiting
F# C# Bbm G# C# G# F# C# F# C# Bbm G#
Just over the shoulder just under the dust

C# G# F# C#
And the last time I noticed your hands were not bleeding
F# C# Bbm G#

Your hands were not bleeding, you were not alive

C# G# F# C#

Though my eyes deceive me my heart was an arrow

F# C# Bbm G# C# G# F# C# F# C# Bbm

G#

My heart was an arrow shot straight through the lights
