D A G D
Oh when I say I am looking for nothing
G D
I m looking for nothing
Bm A
And nothing I ll find
D A G D
You cannot forget if you cannot forgive
G D Bm A D A G D G D Bm A
You cannot forgive if you cannot untie

D A G D
Oh and these walls they bring out the worst in me
G D
They bring out the worst
Bm A
In all that is mine
D A G D
In all that lacks courage all is that is human
G D Bm A D A G D G D Bm A
All that is human and less than divine
D A G D
With hands that have made me and eyes that have seen me
G D Bm A
In my only glory in my deepest sin
D A G D
And fingers that touch not the skin which contains me
G D Bm A
But only the heart of all I have been
D A G D
But witches of flesh and witches of spirit
G D Bm A
Witches of fire, water and rust
D A G D
Keep all that is hidden and all that lies waiting
G D Bm A D A G D G D Bm A
Just over the shoulder just under the dust

D A G D
And the last time I noticed your hands were not bleeding
G D Bm A

Your hands were not bleeding, you were not alive

D A G D

Though my eyes deceive me my heart was an arrow

G D Bm A D A G D G D Bm A

My heart was an arrow shot straight through the lights
