FA#m SIm MI FA#m
:/mamalluca, simiente reposado,
SIm MI FA#m
mamalluca, mirando a lo profundo/:
DO# FA#m SIm DO#

mamalluca, traes los vientos cosmicos,
FA#m SIm DO#7
a refrescar, la amalgama inverosimil.
FA#m SIm MI FA#m
mamalluca, de los montes que cobijan,
SIm MI FA#m
mamalluca, a los valles elquinos.

DO# FA#m
mamalluca, mamalluca,
DO# FA#m
mamalluca, mamalluca,
DO# FA#m DO#
racimo, racimo celestial,
FA#m DO# FA#m
mamalluca, mamalluca.
DO# FA#m DO# FA#m
mamalluca, noche eterna, mamalluca,
DO# FA#m DO# FA#m
mamalluca, dia incierto, mamalluca.

FA#m SIm MI FA#m
:/mamalluca, de tanto sumergirte,
SIm MI FA#m
en las vertiginosas cascadas de los cielos/:
DO# FA#m SIm DO#
desapareces gota a gota,
FA#m
te haces transparente,
SIm DO#7
y eres montaña de viento.
FA#m SIm MI FA#m
mamalluca, materia ignota,
SIm MI FA#m
mamalluca, espacio, puro nada.

DO# FA#m
mamalluca, mamalluca,
DO# FA#m
mamalluca, mamalluca,
DO# FA#m
mamalluca, fragilidad de la vida,
DO# FA#m DO#
mamalluca,.....mamalluca,
FA#m DO# FA#m-DO#
mamalluca, nuestra misma galaxia,
DO# FA#m
mamalluca, mamalluca,
DO# FA#m
hasta el ultimo planeta.
