

Charmed
los Lobos

First riff ever tabbed by me :D
there may be some small variations in there somewhere, but this is a general
outline.

The first bar goes something like this i think:....

```
E |-----|
B |-----|
G |-----|
D |-----3-----|
A |-3h5--3h5-0h5-----5--5-----|
e |-----|
```

You should be able to get the drift of it

```
E |-----|-----|
B |-----|-----|
G |-----|-----|
D |-----3-----|-----3-----5-----|
A |--3h5--3h5-----5-----5-----|--3h5--3h5-----5-----|
e |-----|-----|
```
