intro:

**D, A, G, A, D**

(Verse 1)

**D** **A** **G A** **D**

We were in love before

**D** **A** **G A** **D**

Now it is so much mooorrrre.

**D** **A** **F#** **Bbm**

Cause when I kiss your lips I can t explain

**E** **A**

What I feel in my heart for you

(Verse 2)

**D** **A** **G**

I don t know what I d do

**D** **A** **G A**

Baby, If I lost Yooooou.

**D** **A** **F#** **Bbm**

Cause I ve been without you and I know how it feels

**E** **A**

And I can t live alone anymore

(Chorus)

D            A            G  
I know its more than love

          A  
Baby, I can feel it

D            A            G    A  
When I m close to yoooooooo

D            A            G  
I know its more than love

A            E  
Baby, do yooooo

(Bridge)

Em                            A  
Maybe my words dont explain

E                            A  
Why I m feeling this way.

(insert solo here)

(Bridge)

Em                            A  
Maybe my words don t explain

Em                            A  
Why I m feeling this way

(Verse 3)

D            A            G  
I don t know what I d do

D            A            G    A  
Baby, if I lost yoooooooo

D                            A                            F#                            Bbm  
Cause I ve been without you and I know how it feels

          E                            G  
And I can t be alone anymore

(Chorus/Outro)

D            A            G  
I know it s more than love

          A  
Baby, I can feel it

D            A            G  
When I m close to you

D            A            G

I know it s more than love

**A**

Baby I can feel it

**D** **A** **G**

When I m close to you

**D** **A** **G**

I know its more than love

**A** ( Let ring out)

Baby do you?
