

**My fish half dying**  
**Los Paranoias**

Tuning: Standard  
Capo/Cejilla en el 2ndo Traste

Los acordes son los basicos excepto estos dos.

A7sus4: 002033  
Esus: 002200

Intro I  
G Em Am x3 G Em

Intro II  
A7sus4 D G Em

Am D  
I just like you  
G  
My words are flying  
Em Am  
and I'm trying, to get you  
D G  
You look like me and I still like you  
Em Am  
but its odd, I tell you  
D G  
Let me take you, some place outside here  
Em Am  
You will like it, I feel it  
D G  
Come sing with me, into your attic  
Em  
no one does it, don't fit in

Intro II

Here comes a train,  
We cannot buy it  
but we trying, not easy  
I like your boots, I like your style  
Its like my straint, I mean it  
Your pants eat wool, my fish half dying,  
We are just happy to eat it

Intro II

D G Em

I really really need you to stay where you are  
D G Em  
I wanna be in your picture so please just stun me  
D G Em Am  
I really really need you to stay by my side, and I try  
D G Em  
To give you something to smile

Intro I  
Intro II

You lock my head into your planet  
There's nobody but you in,  
and I feel great, it feels like silence  
everybody, is sleeping  
Our friends are looking through the window  
It's a nice day, she says  
So don't be blue and change that channel  
It's a lie, you do it

Intro I

D G Em  
I really really need you to stay where you are  
D G Em  
I wanna be in your picture so please just stun me  
D G Em Am  
I really really need you to stay by my side, and I try  
D G Em  
To give you something to smile

I really really need you to stay where you are  
I wanna be in your picture so please just stun me  
I really really need you to stay by my side, and I try  
To give you something to smile

[Esta parte se continua con los mismos acordes que el verso]

yeah yeah yeah yeah yeah  
na na na, na na na  
hey hey you do it  
na na na na na

He wasn't dead just dying  
na na na, na na na  
He wasn't dead just dying  
na na na, na na

Intro I

Am Esus Am Esus Am Esus

[Termina con bajo pero puedes usar estos acordes]

G Em Am

-----  
Se que las letras tal vez no sean exactas  
pero es lo mejor que pude hacer con el acento de Los Paranoias
