

Mi promesa

Los Tigres del Norte

G

If I try my best to say goodbye

G7

C

all the words will stay inside

D7

G

and all my thoughts will be

unclear

D7

then I'll end up in tears I swear

I swear

G

without our love my days

will turn to nights

G

Si ya te prometi mi amor

G7

C

hasta la eternidad jamas

D7

G

te dejare de amar y tu

D7

veras que nuestro amor

que nuestro amor

G

sera como una luz

G7

que brillara

C

I promise I love you

G

and I won't break

your heart in two

D7

it doesn't matter where you are

or where I am

G

my love will always be with you

And if by chance

that one of us must go
G7 C
and leave the other person all alone
D7
my promise
G
will reach out across the miles
D7
and cover up the tears

with smiles, with smiles

so radiant
G G7
that all the world will know

C
Prometo darte amor
G
y no danar tu corazon
D7
y donde quiera que tu estes

o que yo este
G
jamás, jamás te olvidare

D7
It doesn't matter

where you are

or where I am

my love will always

G
be with you

D7
Y donde quiera que tu estes

o que yo este

G
jamás, jamás te olvidare

D7
It doesn't matter...
