

Kiko
Losemynumber

standard tuning
just remember to follow the chord code number stuff right below, i forgot the exact names of the important chords.

chords used: Amaj -002220
 Dsus2-000230
 F7b5?-003200
 Bm9 -020220
 Bsus?-244222
 Emaj -022100

INTRO: **A Dsus2** F7b5 (x2)

VERSE 1:

A **Dsus2** F7b5
could you sing me to sleep, something sweet, or keep me up all

A **Dsus2** **F7** **A**
night. you re the only thing that i ll do right. you can make your move,
 Dsus2 **F7** **A**
unless you re scared to, if love s for fools, babe i haven t got a clue. so
 Dsus2 **F7**
tell me this works and i ll sing it back to you.

A **Dsus2** **F7**
baby you ve got what i need, i know i m miles away come take a step..
 A **Dsus2** **F7**
towards me.. . i ve got a taste for all the sweetest things, and you re the
 Bsus **Dsus2** **F7** **Bsus2**
one to blame. i m gonna make my way to you, if it s the last thing i do
 Dsus2 **F7**
i m gonna make my way to you.. .

CHORUS:

A
these long, long nights, won t
Bm
feel the same, until our hearts
Dsus2
collide. and bend back one last time. girl i hope you know that the
A
stars won t shine
Bm
half as bright, until your lips meet
Dsus2 **E** **Dsus2**

F7
you re the moon and i m the tides.

A now i m sellin you lines to try to explain how you been on my mind

i just want you to know you been spillin my heart since the day that we spoke

i m just a simple boy
