

**Best Day**

**Lost and Found Music Studios**

Hi guys just thought that for my first tab i do a song that Lost and Found fans will be proud of playing.

Simple song for new comers and general fans.

[Verse 1]

**G** **Em** **D**

Hey, take a break

**G** **Em**

You re so caught up you re gonna trip into your down fall

**D**

Oh oh

**G** **Em** **D**

Hey, come out to play

**G** **Em**

You worry so much about making it you re missing it all

**D**

Oh oh

[Pre-Chorus]

**C** **D**

If it s gonna be the best day of your life

(Gonna be, gonna be the best day)

**C**

(Bet you better) **D**

Bet you better make it last all night

[Chorus]

**G**  
Hey, yeah, don t you know

**Em** **D**

Someday you re gonna hear us on the radio

**G**  
Hey, yeah, don t you know

**Em** **D** **G**  
It happens so fast these days I gotta take it slow

**G** **Em** **D**

Ooh

[Verse 2]

**G** **Em** **D**

Hey, don t be a fake

**G** **Em**

You gotta be ready when the haters come and crush your style

**D**

Oh oh

**G** **Em** **D**

Stay, steady always wins the race

**G** **Em**  
You running down a dream and you re chasing that miracle mile

**D**  
Oh oh

[Pre-Chorus]

**C** **D**  
If it s gonna be the best day of your life  
(Gonna be, gonna be the best day)

**C**  
(Bet you better) **D**  
Bet you better make it last all night

[Chorus] x2

**G**  
Hey, yeah, don t you know

**Em** **D**  
Someday you re gonna hear us on the radio

**G**  
Hey, yeah, don t you know

**Em** **D** **G**  
It happens so fast these days I gotta take it slow

**G Em D**  
Ooh

[Bridge]

**G**  
Ooh Like a star rising to fall

**Em** **D**  
From so far we are so small

**G**  
If someday your back is against the wall

**Em** **D** **G**  
Don t worry, don t worry at all
