From the circus cages

Jaded baby
Come whisper in my ear
Better come closer cause
The music is loud here

Deep inside

D **C** **D**

D **C**
Why is it so hard

VERSE 2

Don t you get tired
Same smilin faces
Don t you get a little bit lonely
Hiding in crowded places

Don t trust the stranger
You should know better
But this heart of darkness
Can be your shelter

PRE-CHORUS

I ain t rich enough I really don t belong here
I don t want to meet your mommy and daddy
I ain t good lookin but you get used to it like I did

CHORUS

Don t you want to
Give me some affection
Why is it so hard
