```
Like I Love You
Lost Frequencies
[Intro]
Am C F
[Verse 1]
       Am C F
Oh it s a long way down
                       C
But if you don t look, you don t have to know it
  Am C F
And I can be around
                       C
To catch your fall if you re losing your grip
[Pre-Chorus]
Am G
Can t you see that I come crawling on my knees
 Am G F
To get to you, get to you, get to you
Can t you see that I d climbed mountains just to be
        Am G F
Next to you, next to you, next to you
[Chorus]
   G F C
Am
But do you love like I love you?
Am G F
Don t have to rush if you don t want to
Am G
Oh I ll be patient
                       C
                               Am
But just know that there s no way that anybody else could love you
Like I love you
[Post-Chorus]
Am G F
Like I love you
Am G F
Love you
Am G F
Like I love you
Am G F
Love you
[Verse 2]
```

Am G F C

```
Know you ve been hurt before (fore, fore)
                     G
But a little love is enough to save ya
             Am
                    G
                            F
Yeah, we could take our time for sure
Cause something real is worth for waiting
[Pre-Chorus]
Am
Can t you see that I come crawling on my knees
         Am
                   G
To get to you, get to you, get to you
Can t you see that I d swim the ocean just to be
                    G
          Am
Next to you, next to you, next to you
[Chorus]
              F C
         G
Αm
But do you love like I love you?
            G
Don t have to rush if you don t want to
         G
Oh I ll be patient
                           C
                                    Am
But just know that there s no way that anybody else could love you
Like I love you
[Post-Chorus]
Am G F
Like I love you
Am G F
Love you
Am G F
Like I love you
Am G F
Love you
[Bridge]
D#m
I know you wanted me but
You won t surrender your heart
Keeping me out in the dark, keeping me out in the dark
I know you wanted me but
You won t surrender your heart
Keeping me out in the dark, keeping me out in the dark
```

```
G
In the dark
[Chorus]
Am G F C
Do you love like I love you?
Am G F
Don t have to rush if you don t want to
Oh I ll be patient
                      C Am
But just know that there s no way that anybody else could love you
F C
Like I love you
[Post-Chorus]
Am G F
Like I love you (nobody else could)
Am G F
Love you (nobody else could)
Am G F
Like I love you
Am G F
Love you
[Outro]
```

Am G F

Like I love you
