Can't Catch Tomorrow (Good Shoes Won't Save You This Time)
Lostprophets

Em
I`m sure I`ve seen this look before
Done it a thousand times and a million more
C
How many lies did he tell this time?
Am
How many times did he cross the line?
Em
It won`t help me but I have to ask
Is there something real that`s behind the mask?
C
Something true we don`t know about?
Am
A little faith in amongst the doubt
C   Am
And maybe someday you will grow
          Em
Maybe someday you will know
                G
Maybe someday you will end these tears and go
C   G   D
A little piece of me grows old
         Em   D   C
I keep on walking down this road
          G   D
I`ve seen a million people change
          Em   D
But I will stay the same
      C   G
And I know you (know you, know you)
D   Em   D
Always steel and borrow
      C   G
And I know you (know you, know you)
D   Em   D   Em
Never catch, your never gonna catch tomorrow
Em
I m sure I ve played this scene before
I ve seen this room and I ve walked this floor
C
I m sure I used to hold your hand
Did I hurt you?
Am
All this attitude with no history
All this anger when you re attacking me

```
Em
Got a lot to learn and you need to know
That your time is up kid, let it go
C                           Am
And maybe someday you will grow
        Em
Maybe someday you will know
                    G
Maybe someday you will end these tears and go
C        G                D
A little piece of me grows old
          Em        D         C
I keep on walking down this road
            G                D
I`ve seen a million people change
            Em        D
But I will stay the same
        C                    G
And I know you (know you, know you)
D                   Em        D
Always steel and borrow
        C                    G
And I know you (know you, know you)
D                   Em            D       Em
Never catch, your never gonna catch tomorrow

            C
Yeah the haircuts hot
      G
But this has gotta stop
        D                    Em
Good shoes won`t save you this time
    C
I think you gonna find
            G
That with everything combined
          D                       Em          D
That the time is running out on this line

        C                        G
