

**Darkest Blue**  
**Lostprophets**

verse

**C#**            **A#**            **G#**  
I can see into this abyss  
                 **C#**                    **A#**            **G#**  
There is no stopping myself from feeling this  
                 **C#**                    **A#**                    **G#**  
And I think its coming through the air and torments me  
                 **C#**                    **A#**                    **G#**  
I try to move that dail and change this frequency

Bridge

**A#m**                                    **G#**  
Everywhere that I go misery will follow  
                 **D#**                    **C#**  
And it won t let me go  
                 **A#m**  
And it won t let go

Chorus

**C#**        **F**  
I keep fading into you  
                 **G#**        **F**  
Drowning in your darkest blue  
                 **C#**  
The sorrow pulls me down  
                 **A#**  
Weightless without sound  
                 **G#**  
I still hear them calling

Verse

**C#**            **A#**                    **G#**  
There s no hope, there s no hope for me  
                 **C#**                    **A#**  
Cause I can t silence the sound  
                 **G#**  
They keep calling me

## Bridge

**A#m** **G#**  
Everywhere that I go misery will follow  
**D#** **C#**  
And it won't let me go  
**A#m**  
And it won't let go

## Chorus

**C#** **F**  
I keep fading into you  
**G#** **F**  
Drowning in your darkest blue  
**C#**  
The sorrow pulls me down  
**A#**  
Weightless without sound  
**G#**  
I still hear them calling

(Play **A# A# C# G#** over the solo)

**G#**  
I still hear them calling

## Bridge

**A#m** **G#**  
Everywhere that I go misery will follow  
**D#** **C#**  
And it won't let me go  
**A#m**  
And it won't let go  
**A#m**  
And it won't let go

## Chorus

**C#** **F**  
I keep fading into you  
**G#** **F**  
Drowning in your darkest blue  
**C#**  
The sorrow pulls me down  
**A#**

Weightless without sound

**G#**

**C#**

**A#**

I still hear them calling, I still hear them calling

**G#**

**C#**

I still hear them calling, I still hear them calling
