

Last summer
Lostprophets

Intro

Verse 1

C G D
The Friday sun bears down again
As we drive without friends
C G D
And on these longest days we spend
All the time trying to pretend
C G D
That our stories could be true
Our chance to be cool
C G D
The setting sunset says the day is through
If only we knew...
D C5 G5
And we all sit around here in our home town
D5
Listen to the waves as they all crash down
C5 G5
And watch the fire as it slowly burns away
D5
Glowing embers fly across the sky YOUR

D Bm C
Here by my side, in my summer, our last summer
D Bm C
The world passes by in my summer, our last summer
D Bm C
The light makes shadows fall, surrounded by each other
D Bm C
Alive to watch it all, the view from our last summer
The view from our last summer...(INTRO)
