

**Hello Its Me**  
**Lou Reed**

Date: Mon, 29 Mar 93 13:52 MET  
From: Jeroen van der Laak

(from the album Songs for Drella, 1990)

Basically the chord progression is A F#m E.  
Most of the time, however, the F#m is played  
as a F#m7. The way the chords are played varies, I  
only sorted out the first verse.

(intro)

A	F#m7	E	A	F#m	E
-----0-----0-----0-----2-----0-----					
-----2-----2-----1-----2-----2-----0-----					
---2---2---2---2---2---2---2---2---2---2---2---0/1-----					
-----2-----					
-0-----					
-----2-----0-----2-----0-----

Hello it s me

(I know I messed up the timing, but to play it correctly you ll have to listen to the original anyway. It s too complex to put on paper for me).

Andy it s me, haven t seen you in a while  
I wished I talked to you more when you were alive  
I thought you were self-assured when you acted shy  
hello it s me

I really miss you, I really miss your mind  
I haven t heard ideas like that for such a long, long time  
I loved to watch you draw and watch you paint  
but when I saw you last I turned away

When Billy Name was sick and locked up in his room  
you asked me for some speed, I thought it was for you  
I m sorry that I doubted your good heart  
things always seem to end before they start

Hello it s me, that was a great gallery show  
your cow wallpaper and your floating silver pillows  
I wish I paid more attention when they laughed at you  
Hello it s me

Pop goes pop artist, the headline said  
is shooting a put on, is Warhol really dead?  
you get less time for stealing a car  
I remember thinking as I heard my own record in a bar

They really hated you, now all that s changed  
but I have some resentments that can never be unmade  
you hit me where it hurt I didn t laugh  
your diaries are not a worthy epitaph

Well now Andy, guess we ve got to go  
I hope some way somehow you like this little show  
I know it is late in coming but it s the only way I know  
hello it s me, goodnight Andy

goodbye Andy

That s it, please send corrections, reactions etc to
