Starlight open wide everybody is a star
Split screen 8-hour movies
We ve got color, we ve got sound
Won t you recognize us, we re everything you hate
Andy loves old Hollywood movies, he ll scare you hypocrites to death
You know that shooting up s for real
That person who s screaming, that s the way he really feels
We re all improvising, five movies in a week
If Hollywood doesn t call us - we ll be sick
Starlight open wide
Do to movies what you did to art
Can you see beauty in ugliness, or is it playing in the dirt

There are stars out on the New York streets
We want to capture them on film
But if no one wants to see them
We ll make another and another
Starlight let us in that magic room
We ve all dreamt of Hollywood
, it can t happen too soon
Won t you give us a million dollars the rent is due
And will give you 2 movies and a painting
Starlight open wide!
