

**Defenceless**

**Louis Tomlinson**

**G** **D**  
I come runnin to you like a moth into a flame  
**Em** **C**  
You tell me, Take it?easy, ?but it s easier?to say  
**G** **D**  
Wish I didn t need so?much of you  
**Em** **C**  
I hate to say, but I do  
**G** **D**  
We re sleepin on our problems like we ll solve them in our dreams  
**Em** **C**  
We wake up early morning and they re still under the sheets  
**G** **D**  
I m lost in my head, I m spinnin again  
**Em** **C**  
Tryna find what to say to you

[Pré-Refrão]

**C**  
Been up all night  
**Em**  
All night runnin all my lines  
**G** **D**  
But it?s only the truth  
**C**  
Been up all night  
**Em**  
Not sure how to say this right  
**G** **D**  
Got so much to lose

[Refrão]

**C**  
Never been so defenceless (oh)  
**Em** **G**  
Never been so defenceless (ooh)  
**Em** **C**  
You just keep on buildin up your fences (oh)  
**Em** **G** **D**  
But I ve never been so defenceless (ooh)

**C** **Em**  
(Ooh, ooh, ooh)

**G** **D**  
No, you don?t have to keep on being strong for me and you

**Em** **C**  
Acting like you feel no pain, you know I know you do

**G** **D**  
And I can t get inside when you re lost in your pride

**G** **C**  
But you don t have a thing to prove
