Tell me, do you, tell me, do you still remember feelin young?
             Em
Tell me the truth, tell me, do you still remember feelin young
And strong enough to get it wrong in front of all these people?
Just for tonight, look inside and spark that memory of you
  Strong enough to get it wrong in front of all these people

Then you should feel better than ever
But you know as well as I, it s all lies
