

**Habit**

**Louis Tomlinson**

[Primeira Parte]

**G**

I always said that I d mess up eventually

**Am**

I told you that

**C**

So what did you expect from me? It shouldn't come

**G**

As no surprise anymore

**G**

I know you said that

You d give me another chance

**Am**

But you and I knew the truth of it in advance

**C**

**G**

Mentally, you were already out the door

[Pré-Refrão]

**Em**

**D**

**C**

**G**

Never thought that giving up would be so hard

**Em**

**D**

But God, I m missing you

**C**

**G**

And your addictive heart

[Refrão]

**G**

**Am**

You re the habit that I can t break

**C**

You re the feeling I can t put down

**G**

You re the shiver that I can t shake

**Am**

You re the habit that I can t break

**C**

You re the high that I need right now

**G**

You re the habit that I can t break

[Segunda Parte]

**G**

Took some time

Cause I ve ran out of energy

**Am**

Playing someone

I ve heard I m supposed to be

**C**

**G**

Honestly, I don t have to choose anymore

**G**

But it s been ages, different stages

**Am**

Come so far from Princess Park

**C**

I ll always need ya

In front of me

**G**

In front of me

[Refrão]

**G**

**Am**

You re the habit that I can t break

**C**

You re the feeling I can t put down

**G**

You re the shiver that I can t shake

**Am**

You re the habit that I can t break

**C**

You re the high that I need right now

**G**

You re the habit that I can t break

[Ponte]

**Em**

**D**

**C**

Gave me the time and the space

**G**

I was out of control

I m sorry I let you down

**Em**

**D**

**C**

**G**

Guess that I know what I already know

**G**

I was better with you

And I miss you now

[Refrão]

**G** **Am**  
You re the habit that I can t break

**C**  
You re the feeling I can t put down

**G**  
You re the shiver that I can t shake

**Am**  
You re the habit that I can t break

**C**  
You re the high that I need right now

**Em D**  
You re the habit that I can t break

**G** **Am**  
You re the habit that I can t break

**C**  
You re the feeling I can t put down

**Em**  
You re the shiver that I can t shake

**D** **G**  
You re the habit that I can t break

**C**  
You re the high that I need right now

**Em D**  
You re the habit that I can t break
