

Me Without You  
Love and Theft

Love & Theft  
Me Without You  
Capo 1

Ohh  
**A**    **D**    **A**  
Like a thundercloud without a chance of rain  
**A**    **E**    **A**  
Like a stretch of sandy beach without the waves  
**A**    **D**                    **A**  
It s like I m spinning my wheels down a lonely interstate

**A**                    **E**  
Me Without You

It s a picture perfect sky without a view  
It s an empty seat at a table for two  
It s having all the time in the world and nothing to do  
Me Without You

**D** **A**  
I ve been loving you so long  
                 **E**    **A**  
I m a leaf lost in the wind  
   **D** **A**  
I want to be so strong  
   **E**  
But I don t know how to begin  
                                 **D**                    **A**  
So I keep holding on  
   **E**  
Cause I don t know what else to do  
                                 **D**    **E**  
I try to be, but I m not me  
                                 **A**  
Without you

It s a beautiful song to be sung but nowhere to sing  
It s this beat up old guitar missing a string  
It s me calling in the middle of the night and it just rings  
Me without you

I ve been loving you so long  
I m a leaf lost in the wind  
I want to be so strong  
But I don t know how to begin  
So I keep holding on  
Cause I don t know what else to do  
I try to be, but I m not me

Without you

**D** Baby, tonight I m gonna light your favorite candles **A**

**D** And open a bottle of my favorite Spanish wine **A**

**D** Gonna listen to the song that we made love to the first time **A**

**Bm**  
It s all I can do

**E**  
It s all I can do...

I ve been loving you so long  
I m a leaf lost in the wind  
I want to be so strong  
But I don t know how to begin  
So I keep holding on  
Cause I don t know what else to do  
I try to be, but I m not me  
Without you

I can try to be, but I m not me without you.
