Tuning: Standard

This is the basic idea on how the struming/picking goes it is not 100% acurate  
more of just  
a guideline, listen to the song, as it is easy enough to pick-up.

intro  
**D5 A5 B5 G5 A5**

Verse 1:

<b>D5</b>	<b>A5</b>	
The truth means everything to a dying heart		
<b>B5 B/5+(no3)</b>	<b>B5</b>	<b>G5 A5</b>
Where were you when things fell apart?		
<b>D5</b>	<b>A5</b>	
Excuses you gave insulted me		

**B5 B/5+(no3)                    B5                    G5                    A5**  
Take a long hard look at the truth and you ll see

Chorus 1:

**G5                                    A5**  
You re all that I need  
**G5**  
If you call I will be there  
**A5**  
You mean everything  
**B5**  
If you fall I will be there  
**G5                    A5**  
You made this heart bleed  
**G5                    A5**  
The truth has failed

Verse 2:

**D5                                    A5**  
Promises made in the dark  
**B5 B/5+(no3)                    B5                    G5                    A5**  
It s a fools game of heart to heart  
**D5                                    A5**  
Memories will fade just like a fire  
**B5 B/5+(no3)                    B5                    G5                    A5**  
This passion burns for old desires

Chorus 2:

**G5                                    A5**  
You re all that I need  
**G5**  
If you call I will be there  
**A5**  
You mean everything  
**B5**  
If you fall I will be there  
**G5                    A5**  
You made this heart bleed  
**G5                    A5**  
The truth has failed

The bridge is pretty simple it is the same as the verse but with picking your ring and fingers on your left hand on and off quite easy to work out... let me know if you require tabbed

**D5                                    A5**  
The truth means everything to a dying heart  
**B5 B/5+(no3)                    B5                    G5                    A5**

Where were you when things fell apart?

**D5**

**A5**

Promises made in the dark

**B5** B/5+(no3)

**B5**

**G5**

**A5**

It s a fools game of heart to heart

\* Im not 100% on the B5 into B/5+(no3) thing (it is a pinky finger on off thing)  
like

order may be different but you should get the idea.
