

## Felt Tip

### Love Is All

intro: G Em Bm C

G            Em            Bm  
Felt tip, Hit kids  
C                            G  
Click your fingertips  
             Em            Bm  
Black hat, Cool cat  
                 C            G  
You wanna show me that  
             Em            Bm  
You want, you care  
             C                            G  
You little people stare  
                 Em            Bm  
You demand and you need  
             C                            G  
You wanna take the lead

             Em            Bm  
Spray can, New fan  
             C                            G  
Going faster than  
             Em            Bm  
Quick feet in the street  
             C                            G  
Step right on the beat  
             Em            Bm  
Step right on the beat  
             C                            G  
Step right on the beat
