

Listen To My Song
Love

Howdy!

This is my first tab. I didn't find any tabs/chords for this great song by the superb US

Coast psychedelic rock band - Love, so I decided to do it myself. Took like two minutes

figure out which chords to use, and I'm pretty sure it's correct. It sounds perfect

playing it along with the song. It's really easy to play, and it sort of...gives you a

feeling. Very soft.

Peace! =)
