

Honest
Loveable Rogues

Tabbed by: GuitarMan147 (so... whathavewehere?)

This is an awesome song which I heard on Britain's Got Talent the other day - really got in my head and I just felt the need to find the chords. These sound right - I played along to the song and they sound good.

You might want to listen to the song to get timings and stuff (<http://www.youtube.com/watch?v=Jl7Vl2oLJ5Q>), but here are the chords I've used:

Gsus4: 320033

Cadd9: 032030

Em: 022033

D: 000232

Hope it helps :D
