

The Not Real Lake Loving

[Intro]

A F#m Bm E

[Verse]

A F#m

Awake at dawn

Bm E

The sky I know is gone

A F#m

Everywhere I ve been

Bm E

And everything I ve seen

A F#m

Well each time that I try

Bm E

To describe just why

A F#m

Nothing is clear

Bm E

The world is a mirror

Bm E

The world is a mirror

A F#m Bm E

[Pre-Chorus]

A F#m

At this magic hour

Bm E

I ll confuse the power

A F#m

Of a stolen word

Bm E

For what is unheard

Bm E

For what is unheard

E Bm

But what is certain

E Bm

Is I am forgetting

E Bm

And that is a blessing

A F#m

Angry weather in my head

A F#m

Angry weather in my head

A **F#m**

Angry weather in my head

Bm **E**

You know the gentle hunter is fed

[Post-bridge]

A E A E

A **F#m**

So wake up in the night

Bm **E**

Take your mindless fight

A **F#m**

Go walking in the woods

Bm **E**

Go walking in the woods

A

Until dawn
