

**Angela**

**Low Cut Connie**

[Verse 1]

**C**

You gotta be who you are, now

You re my girl, you re a star

**Am**

And I know

**Am G**

And I know

[Verse 2]

**C**

You been with me since you were just sixteen

You got a face for the silver screen

**Am**

And I know

**Am G**

And I know

[Chorus]

**D**

You re just too hot to date me

**G**

**F**

**C**

Angela, I just don t want you to hate me now

**D**

You should move to L.A

**G**

**F**

**Dm**

Angela, don t get carried away now

**G**

Make me proud

[Verse 3]

**C**

You should be with a gorgeous guy

I know that I m like a real far cry

**Am**

And I know

**Am G**

And I know

[Verse 4]

**C**

You wanna model and you wanna act

This little town is gonna hold you back

**Am**

And I know

**Am G**

And I know

[Chorus]

**D**

You re just too hot to date me

**G**

**F**

**C**

Angela, I just don t want you to hate me now

**D**

There s dirty pictures in L.A

**G**

**F**

**Dm**

Angela, don t get carried away now

**G**

Make me proud, come on!

[Verse 5]

**C**

Well if you ever get tired of it all

You know that you got a friend to call

**Am**

And I know

**Am G**

And I know

[Chorus]

**D**

You re just too hot to date me

**G**

**F**

**C**

Angela, I just don t want you to hate me now

**D**

You should move to L.A

**G**

**F**

**Dm**

Angela, don t get carried away now

**G**

Make me proud, babe
