Once In A Long Long While
Low Roar

You can play E or Bsus4 x24400 instead of B in the verses (if it is hard for you).
Lyrics in parentheses are echoes of the main line.

[Verse 1]
E
Once in a while

You end up in a town
    A
Its doors open up for you
E
Step outside to look up and see
   A
The sky's looking back at you
  B   **A**
The lights rain down

[Verse 2]
E
Once in a while

You get a little help
   A
You least expected too
E
Look in the mirror

A couple times you see
   A
If all of it is true
       B
And your mind's
          A
On a bed of clouds

[Chorus]
                  E
Once in a Long, Long While (Once in a Long, Long While)
                A
(Once in a Long, Long While) (Once in a Long, Long While)

E   **A**

[Verse 3]
E
Once in a while

You get a little lost
        A
In the fault between the trees
E
Stumbling out upon the waiting arms
        A
Of the woman of your dreams
          B
And your love
              A
Comes raining down

[Chorus]
                      E
Once in a Long, Long While (Once in a Long, Long While)
              B   A
(Once in a Long, Long While) (Once in a Long, Long While)
                      E
Once in a Long, Long While (Once in a Long, Long While)
              B   A
(Once in a Long, Long While) (Once in a Long, Long While)
                    E
Once in a Long, Long While (Once in a Long, Long While)
            B   A
(Once in a Long, Long While) (Once in a Long, Long While)
                    E
Once in a Long, Long While (Once in a Long, Long While)
            B   A
(Once in a Long, Long While) (Once in a Long, Long While)
                    E   B A
Once in a Long, Long While

[Outro]
E   B A   x2
