

## Waiting 10 Years

### Low Roar

C/B is a transition between C and Am, you can skip it but I suggest you try and play with it.

[Verse 1]

**Am** **D**  
Nine months since I licked you clean  
**G** **C C/B**  
And left with no complaints  
**Am** **D**  
I jump blindly into your arms  
**G** **C C/B**  
I d never been so brave  
**Am** **D**  
And each day brings a storm  
**G** **C C/B**  
I m simply not prepared to face  
**Am** **D**  
And I sleep and I dream  
**G** **C C/B**  
Between my grave and your sweet face

[Chorus]

**Am** **C**  
But I ve... been waiting... waiting...  
**G**  
Oh I m waiting...

[Verse 2]

**Am** **D**  
Mamma blessed me with confidence  
**G** **C C/B**  
I m distant to embrace  
**Am** **D**  
Well feed me something that s strong enough  
**G** **C C/B**  
To very sorry place  
**Am** **D**  
I m fucking losing my mind  
**G** **C C/B**  
And I can see it in my face

[Chorus]

**Am** **C**

But I ve... been waiting... waiting...

**G**

Oh I m waiting... waiting...

**C**

Oh I m waiting... waiting...

**G**

Oh I m waiting... waiting...

**C**

Oh I m waiting...
