

Forever For Now

LP

Bm

Hush, hush.

Don?t say a word.

Emadd9 Em Emadd9 Em

The faint cries can hardly be heard.

F#7 Em6 Em7 Bm

A storm lies beyond the horizon, barely.

Bm

Don?t stop,

Straight through the days

Emadd9 Em Emadd9 Em

Like children that can?t stay awake.

F#7 Em6 Em7 Bm

Stay here untainted and say...

Bm

Stay while the melody?s sung.

Em4(add9) Emadd9 Em Emadd9 Em4(add9) Emadd9 Em Em7

Break like a wave on the run.

F#7

I do be sure I can?t say anymore

Em6 F# Bm

I just know that it won?t last forever.

Bm

Rush, rush.

Take me away.

Emadd9 Em Emadd9 Em

Like hourglass sand that never escapes.

F#7 Em6 Em7 Bm

Stars are born and then die, but carefree.

Bm

A small clock that ticks without time,

Emadd9 Em Emadd9 Em

And watched by an ocean of eyes.

F#7 Em6 Em7 Bm

Ending, ascending and then?.

Bm

Stay while the melody?s sung.

Em4(add9) Emadd9 Em Emadd9 Em4(add9) Emadd9 Em Em7

Break like a wave on the run.

F#7

I do be sure I can?t say anymore

Em6 Em7 F#

I just know that it won?t last

Em6 Em7 F#7 Bm

I just know that it won?t last forever...
