

Long Way To Go To Die

LP

[Intro] C F C F

C

Whistle gone, we re moving on

F

And our only rival are tears

C

Send my things, take back my ring

F

Now we ve finally realized our fears

C

F

It s just a long, long, long way to go to die

C

F

It s a long, long, long way to go to die

C

Five years by, a stitch in time

F

Patching up a life by the seams

C

It won t break me, it won t break me

F

I just fake it all and believe

C

F

It s just a long, long, long way to go to die

C

F

It s a long, long, long way to go to die

C

And I keep rolling on

F

Missing you from dusk to dawn

G

F

C

Yeah, aw yeah, oh, hey now

G

Oh happiness don t rescue me

F

I barely know you

C

Can t you see I m tryna block you out?

G

Hallelujah, glad I knew ya

F

C

Take me now, take me into town

C **F**
It s a long, long, long way to go to die (happiness)

C **F**
It s a long, long, long way to go to die (and I keep rolling on)

C **F**
It s a long, long, long way to go to die (missing you from dusk to dawn)

C **F**
It s a long, long, long way to go to die (hey, hey, hey)

C **F**
It s a long, long, long way to go to die (happiness)

C **F**
It s a long, long, long way to go to die

C **F**
It s a long, long, long way to go to die (hallelujah, I m glad I knew ya)

C **F**
Its a long way to go, way to go, way to go to die
