Lost on You
LΡ
Am D Em
Am D Em
              Αm
When you get older, plainer, saner
                                              Em
Will you remember all the danger we came from
Burning like embers, falling, tender
                D
Longing for the days of no surrender
      \mathbf{Em}
Years ago
  Εm
And well you know
[Pre-Chorus]
Smoke them if you got them
Cause it s going down
Em
All I ever wanted was you
I ll never get to heaven
Cause I don t know how
      Em
Let s raise a glass or two
[Chorus]
  C
                    Am
To all the things I lost on you
Oh oh
                 Em
Tell me are they lost on you?
  С
Oh oh
                    Am
Just that you could cut me loose
Oh oh
                      Em
After everything I ve lost on you

[Verse]
                Am
Wishing I could see the machinations
                                             Em
Understand the toil of expectations in your mind
Hold me like you never lost your patience
                                                       Em
Tell me that you love me more than hate me all the time
And you re still mine
