C

You're with him, but wish you were holding me

F

Isn't it, isn't it something
Whenever you touch him

Bb

To my fa-a-ace

You can't sa-a-ay

C

You're fine no-o-o-ow

Guess it didn't go how you imagined it
I know what it is (Yeah)
All the time within, you were wanting this

Isn't it, isn't it something
How easy you're falling
Like he was nothing?
Isn't it something
How quickly your meant-to-be's (Your meant-to-be's)
Just turned into history?
