

**I Hate You Then I Love You**  
**Luciano Pavarotti**

**D**                      **D7+**              **D6**  
I d like to run away from you  
**D7+**                      **D**                      **Em A7 Em A7**  
But if I were to leave you I would die  
**Em**    **A7**  
I d like to break the chains you put around me  
**Em**  
And yet I ll never try

No matter what you do you drive me crazy  
I d rather be alone  
But then I know my life would be so empty  
As soon as you were gone

Impossible to live with you  
But I could never live without you  
For whatever you do / For whatever you do  
I never, never, never  
Want to be in love with anyone but you

You make me sad  
You make me strong  
You make me mad  
You make me long for you / You make me long for you

You make me live  
You make me die  
You make me laugh  
You make me cry for you / You make me cry for you

I hate you  
Then I love you  
Then I love you  
Then I hate you  
Then I love you more  
For whatever you do  
I never, never, never  
Want to be in love with anyone but you

You treat me wrong  
You treat me right  
You let me be  
You make me fight with you / I could never live without you

You make me high  
You bring me down  
You set me free

You hold me bound to you

I hate you

Then I love you

Then I love you

Then I hate you

Then I love you more / I love you more

For whatever you do / For whatever you do

I never, never, never

Want to be in love with anyone but you

I never, never, never

I never, never, never

I never, never, never

Want to be in love with anyone but you

But you
