Couplet 2

Through the rain I saw a child just like my child
Someone's son or daughter
I watched as they played for a while
I wanted to cry, those babies just smiled
Maybe it was just a dream, but it should be reality
A child is just God's sign that peace and love are seeds to make
tomorrow grow

Chorus

FÃ che piova, (Let it rain)

FÃ che il cielo mi lavi il dolor (Let heaven wash away my pain)

FÃ che piova (Let it rain)

che sia la pace il nome d amor (That peace would be the name of love)
